

We identify and place high-potential candidates who have no experience or exact qualifications for **HOME ELECTRONICS TECHNICIAN positions**. PrepTECH provides vetted candidates with industry and technical fundamentals. PrepTECH connects graduates with employers for the start of a career in a rapidly growing industry.

The positions are entry-level and **COMPENSATION begins at \$36,000 to \$45,000/year**. Every job has great advancement opportunities with multiple career paths, and potentially up to 50% pay growth as skills are developed. Work 40 hours a week with overtime possibilities. The work is highly varied, ranging from basic wiring to equipment rack installation, to trim and finish work, to other tasks on-site.

The clients are luxury homeowners and early adopters of home technology innovation. The new hire receives on-the-job installation, manufacturer and new technology training to help them achieve Technician Level 1 status.

The PrepTECH program is sponsored by manufacturers and employers for qualified candidates at **NO COST to the candidate**.

THE PROCESS IS SIMPLE -

- **Complete Application and evaluation tests**; total of 15 minutes
- **Qualify for entry into the program**; no cost to the candidate
- **Gain technical knowledge and soft skills online, self-paced**, complete in 2-3 weeks
- **Interview and get placed** with eager employers; takes 1-2 weeks
- **Onboard for 90-days** as a new hire
